HARDWARE CATALOGUE

Raising the Bar *for 75 Years*

Design that *inspires*.

Quality that *endures*.

Impressions that *last*.

At Taymor, we believe *exceptional finishing touches* have the power to elevate—bringing spaces, projects, and partnerships to new heights.

Creating Lasting Impressions *Since 1948*

Family owned since 1948, the same enduring values that motivated founder Jake Zalkowitz continue to inspire our company today. Our passion to raise the creative bar, build partnerships with integrity, and execute service excellence fosters solutions that exceed expectations from first touch to lasting impression.

Message from our CEO, *Vivian Zalkow*

The spaces we call home have the power to enrich our lives and elevate our wellbeing — from serving as a source of comfort to being a point of long-lasting pride. At Taymor, thoughtful design that brings spaces to life has been at the heart of our offering for over 75 years. I'm proud to say that this tradition continues on every page of this catalogue.

Design & Innovation

The pursuit of great design is central to everything we do at Taymor. It inspires our in-house product designers, guides our close collaboration with leading interior designers, and helps us create innovative and exclusive products that contribute to the success of any project.

Service & Experience

We believe in always putting our customers' needs first. It's a principle many companies aspire to but at Taymor it's ingrained deep in our DNA. For over 75 years we've been building meaningful and trusted relationships with builders and their teams so we can support their ongoing success.

Quality & Craft

We love the craft, which means creating lasting impressions from your very first touch. Our in-house product design teams continually refine and enhance products for durability, ease of install, and performance. The end result is tangible — a level of quality you can feel in your hand.

Trusted by Professionals

With decades of experience, we know the challenges residential construction projects face and the level of service builders and their project teams demand. We use our deep expertise in new construction to understand project needs, anticipate and solve issues, and deliver easy solutions.

“Great relationship. *Great Company.*”

Greystar is the global leader in rental housing. We design under an ethos of serenity, peace, and simplicity, and Taymor products fit the bill perfectly with their clean lines, simple profiles, and longevity.

Working with Taymor is always seamless. They make quality products that are elegant, affordable, and that complement the overall palette of our units while adding a touch of excitement.

NED DODINGTON
DIRECTOR OF DEVELOPMENT
GREYSTAR REAL ESTATE PARTNERS

“Always there when you need them.”

Working with Taymor, we know that a solution is only a call away. Whether we need new material or have an issue on a project, our Taymor representative is always available.

If there's a problem, Taymor probably knows about it before we do because they're in constant contact with the development site.

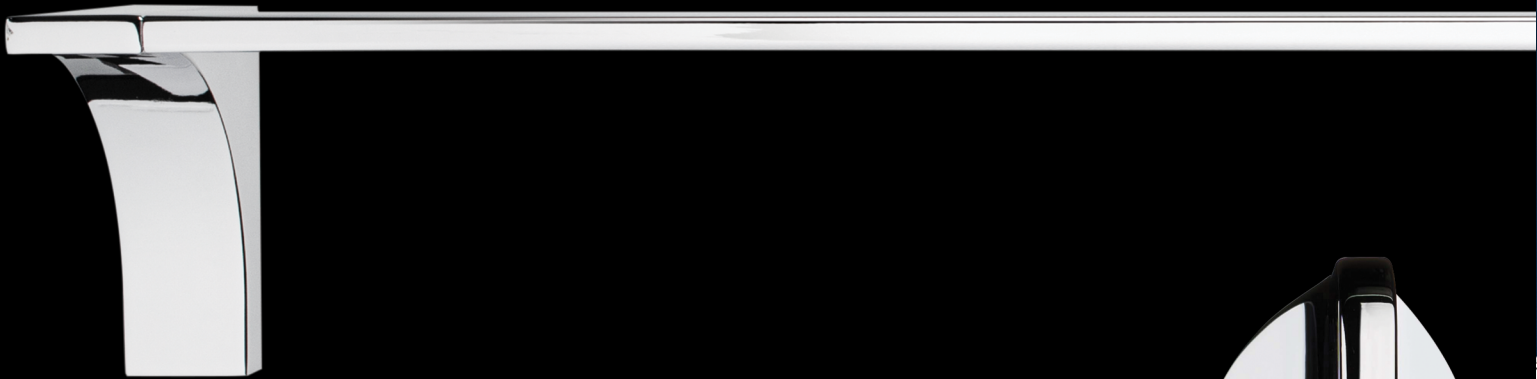

Our customers love value, but they're also very discerning. That's why Taymor's quality hardware and affordability make them a perfect extension of our brand.

The *finish* is the start of the *story*.

Our *Special Finishes Program* features a diverse selection of special order brushed, matte, and polished finishes that empower Developers and Designers to craft unique design stories for their interior spaces.

With coordinating hues available across Taymor's Door and Bath architectural hardware, *the finish really is just the start of the story.*

Satin *Brass*/ Brushed *Brass*

The epitome of opulence — Satin Brass/Brushed Brass infuses spaces with elegance, and luxury for a bold statement, especially when paired with warm woods & rich stones.

Gun *Metal*

Subtle in its refinement, Gun Metal contains hints of warmth that beautifully complement natural materials to create elevated, exciting spaces.

Matte *Black*

Contemporary and bold, Matte Black perfectly punctuates contemporary interiors by providing a dramatic visual element.

Satin *Stainless*/ Brushed *Nickel*

This finish is soft and forgiving, making it a practical yet refined choice for design styles that feature mixed materials, like honed stones and matte woods.

Satin *Nickel*

Timeless and versatile, Satin Nickel is a true design staple that lends itself well across a wide range of styles — from transitional to contemporary.

Dark *Bronze*

Transitional, rich, and alluring, this finish brings warmth into a space and suits an array of color palettes — from light to dark.

Polished *Chrome*

Sophisticated and sleek — Polished Chrome is a consistent favorite, reflecting light and reinforcing the illusion of space.

Polished *Nickel*

With its warm undertones, Polished Nickel evokes understated elegance while adding just the right touch of excitement to the bathroom.

Special Finishes Program (SPECIAL ORDER ONLY – MINIMUM ORDER QUANTITIES APPLY)

Colours evoke different emotions, empowering you to craft unique design stories. Our Special Finishes Program features a diverse selection of special order brushed, matte, and polished finishes. From understated hues to bold pops of colour — our new assortment of finishes can help elevate and tailor the interior spaces of your multi-family projects.

How to Specify Special Order Finishes

Please visit the Find Your Rep page on our website and contact your Taymor Sales Representative and provide the item numbers, quantities, finishes, and expected installation dates for desired products for more accurate minimum order quantities, lead times, and project quotations.

To determine the item code for a product in your desired finish, simply add the finish suffix to the product SKU. See example below for **Astral 18" Towel Bar in Gun Metal**:

04	-	2818	GM

Interconnected Locks

With its modern design and soft square lines, the Taymor Premier Interconnected lock is a departure from standard commercial-style offerings.

Designed for multi-family housing or anywhere simultaneous retraction is required, it can also be combined with select Premier Line levers, offering a wide array of different combinations of style, trim, and finish options.

1

Simultaneous retraction: simply press the lever to unlock and open your door from inside

2

Interchangeable with most Taymor Premier Line levers

3

Easily harmonize interior levers to coordinate with the unit entry door

4

Conforms to the California State Reference Code when used with the Premier Catana lever

5

Concealed screw mount for a streamlined look

Commercial Locks & Hardware

Designed for today's demanding architectural requirements, Taymor's comprehensive line of commercial hardware delivers consistent, dependable performance across an array of applications. From cylindrical locks and deadbolts to door closers and exit hardware; our commercial program has everything necessary to keep your entryways fully functional and up to code.

DUKE LOCKSET | SATIN CHROME

MAKING THE GRADE

Taymor meets performance standards set by the Builders Hardware Manufacturers Association (BHMA) and the American National Standards Institute (ANSI) for builder's hardware.

The standards are defined by grades in which there are progressive levels of performance benchmarks. The purpose of standardized ANSI/BHMA product grades is to help identify the quality and durability of door hardware through a series of operational and security tests.

ANSI GRADE 1

GRADE 1 is the strongest grade available for maximum duty commercial applications.

ANSI GRADE 2

GRADE 2 is designed and built to offer excellent security and durability for heavy-duty commercial applications.

ANSI GRADE 3

GRADE 3 offers reliable security for both residential and light-commercial projects.

Black to basics

Embrace the timeless versatility of matte black across the suites, amenity, and commercial areas of your multi-family projects and other interiors where high performance is desired.

From levers to exit devices — outfit your space with sleek and contemporary coordinated matte black finishing touches that make a bold statement.

Keying Options

KEYED ALIKE (KA) systems are a perfect solution for single-family homes where homeowners may want one key to open multiple locks; for example, the front entrance and the back door.

KEYED DIFFERENT (KD) systems are common in multi-family buildings where each unit opens with a unique key.

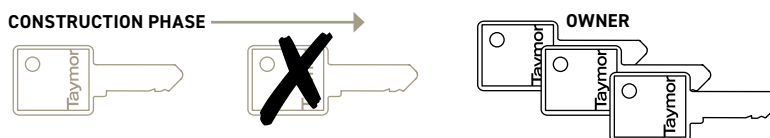

MASTER KEYING (MK) systems are common in multi-family, commercial and institutional buildings where multiple levels of building access are required. Individual units each have a unique key and the master key permits access to all units for maintenance, and management staff as well as first responders.

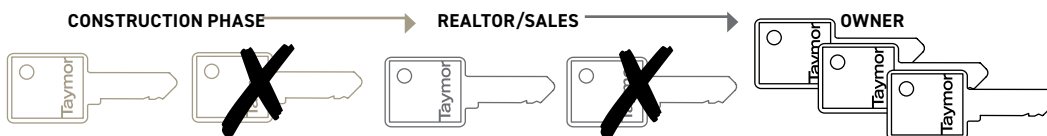

GRAND MASTER KEYING (GMK) allows the owner or strata responsible for multiple buildings to have one grand master key that operates all locks. Individual units have a unique key while each building has a master key that permits access to all areas—or to targeted areas—for tenants, maintenance, and management staff as well as first responders.

CONSTRUCTION KEYING (CK) allows the contractor of a project full access during the construction period. Once the owner's key is inserted, operation by the initial construction key is permanently disabled.

DOUBLE KNOCKOUT CONSTRUCTION KEYING (CKRK) adds a realtor key between the construction key and the owner key, which essentially allows a real estate professional to get temporary access until final handover to the buyer occurs. Once the owner's key is inserted, operation by the realtor key is permanently disabled.

Digital Keying Services

Taymor's Digital Keying Services help save you time during installation and ensure that your Centinel 3 Bluetooth® Digital Deadbolts are ready for immediate use. Our technicians can pre-program each lock with your choice of custom digital entry codes.

Digital Keying Services include:

- > Physical labeling of each digital deadbolt with unique identification numbers
- > Pairing Centinel 3 Bluetooth® Digital Deadbolts with the Taymor Protect App
- > Configuring digital entry codes and creating user profiles
- > Generating QR codes, representing settings for respective digital deadbolts
- > Creating a new Taymor Protect App account for new clients based on client-specific requirements

How It Works

1

Connect with your Taymor Representative to review your specific project requirements.

2

Submit an electronic Digital Keying Form.

3

Taymor will create a Taymor Protect App account for you and provide you with Admin log-in credentials.

4

If you haven't yet, download the Taymor Protect App from the Apple App Store or Google Play.

5

Log into your Taymor Protect account using your Admin credentials. All user profile QR codes are pre-loaded and ready to share.

Warranty Information

DOOR HARDWARE & COMMERCIAL LOCKS & HARDWARE WARRANTY

Taymor is pleased to offer a Mechanical and Finish Warranty against defects in materials and workmanship for one full year to the original purchaser, effective from the date of purchase, unless otherwise specified. This warranty does not cover shipping costs, labor costs or any other cost associated with the installation or replacement of the product/parts and is extended only to the original consumer purchaser of the product(s)

This warranty excludes products that have been damaged through misuse, accidental damage, alteration, normal wear and tear, or the use of corrosive or abrasive cleaning agents. This warranty is non-transferable and applies to products installed in a residential setting. Commercial use is only covered for our Commercial products as outlined in the chart below.

Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service.

BATH AND SHOWER DOOR HARDWARE WARRANTY

Taymor is pleased to offer a Lifetime Warranty against defects in materials and workmanship, to the original consumer purchaser from the date of purchase, as long as the original consumer purchaser owns the home in which the product(s) are installed.

This warranty excludes products that have been damaged through misuse, accidental damage, alteration, normal wear and tear, or by the use of corrosive or abrasive cleaning agents. This warranty applies to products installed in a residential setting. Purchasers for industrial, commercial and business usage are covered by a 5 year limited warranty from the date of purchase.

Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service. This warranty does not cover shipping costs, labor costs or any other cost associated with the installation or replacement of the product/parts and is extended only to the original consumer purchaser of the product(s). The original sales receipt must be supplied to Taymor for all warranty claims.

Taymor recommends using a certified plumber for installation and repair of faucets.

NOTE: Taymor Fundamentals faucets are backed by a 1 Year Limited Warranty from date of purchase.

SPECIAL ORDER PRODUCTS - TERMS AND CONDITIONS

Special order products are not eligible for return or exchange. Lead times may vary and minimum order quantities apply. Contact your Taymor Representative for more information. Please see "Find your Rep" page on the Taymor website at www.taymor.com/en-ca/find-your-rep or call Customer Service.

CARE & CLEANING TIPS

Taymor uses advanced technology to create a finish highly resistant to the effects of weather and normal wear and tear. Over time, frequency of use will cause some finishes to gracefully age in appearance. Additionally, exposure to atmospheric conditions and elements such as cleaning chemicals may cause some changes to occur. These finish changes are not considered manufacturing defects and are not covered by warranty. Rather, they are indicative of normal wear and tear. As always, following the manufacturer's care instructions will safeguard the longevity of your cherished Taymor product.

- DO** Clean the product with mild soap and warm water. For best results, dry immediately with a soft, clean cloth.
- DON'T** Do not use abrasive sponges or scouring agents for cleaning. We also advise against the use of solvents or acidic cleaners, lime scale removers, household vinegar and cleaning agents containing acetic acid.
